
LETTER OF RECOMMENDATION

SWISSBULL GROUP – FZCO
IFZA Business Park
Dubai, United Arab Emirates
Date: December 30, 2025

To Whom It May Concern,

This letter serves as an official recommendation for Fernando Gabriel Almaraz De La Quintana, of Bolivian nationality (ID 4051272) who collaborated with SWISSBULL GROUP – FZCO over a period of six months, from July to December of 2025, on projects related to Artificial Intelligence, Blockchain, and Software Development as a Full Stack Software Engineer.

During his time with our organization, Fernando consistently demonstrated a high level of technical competence, reliability, and professionalism. He played an active role in complex, high-responsibility initiatives and showed a strong ability to analyze problems, propose effective solutions, and execute tasks efficiently.

Fernando stood out for his problem-solving skills, adaptability to fast-changing technical requirements, and his capacity to understand both technical and business-level objectives. His contributions were delivered with precision, and his work met, and frequently exceeded our expectations.

Throughout the collaboration, his performance was flawless, and his conduct reflected a strong work ethic, attention to detail, and commitment to quality. He worked effectively both independently and as part of a multidisciplinary team.

We confidently recommend Fernando for any role or opportunity related to AI, blockchain technologies, or software development, and we believe he will be a valuable asset to any organization he joins.

Should further information be required, this letter may be used as formal confirmation of his collaboration with our company.

Sincerely,

RAFAEL BERNARDO VALDIVIA SANCHEZ BERZAIN
